

Kids for the Cure T-Shirt Design Contest

Kids for the Cure was developed in response to the many children that are affected by breast cancer. They may have mothers, grandmothers, aunts, teachers and many others that are battling or have overcome this disease. This contest is a way for the Kids to not only support the cause in their own way but also have fun doing so!

The winning design will be printed on approximately 1,000 Youth shirts and distributed at packet pick-up. See entry form on back page.
